button®
LED Aydınlatma, Otomasyon ve Mobilya Aksesuar

BUTTON LED, Türkiye ve dünya çapındaki 13 yıllık deneyimi ile başarısını ve yükselişini kanıtlamaktadır. Aydınlatma tasarımındaki yenilikçi ve modern fikirleri sayesinde kısa sürede sektörde lider konuma gelmiştir. BUTTON LED, Mobilya üreticileri, mimarlar, iç mimarlar, inşaat şirketleri ve tüketicilere hizmet etmektedir. Button, sadece dekoratif aydınlatmayı değil; aynı zamanda mimari ve proje bazlı aydınlatmayı da içinde barındırmaktadır. Her geçen gün tecrübeli çalışanlarıyla gelişmeye devam eden firmamız, geniş ürün yelpazesi ile her zaman estetik ve kullanışlı aydınlatma tasarımlarını sunmayı hedeflemektedir.

Button, Türkiye'de 10 yıldan fazla bir süredir Mobilyalarda profesyonel aydınlatma ürünlerini seçkin kullanıcılarına sunmaktadır. BUTTON LED, kurulduğu günden bu yana estetik ve büyüleyici görünümü elde etmek için dünya teknolojileri ile paralel giderek, yenilikçi ve doğru aydınlatma çözümleri sunmuş; Türkiye'ye "kaliteli aydınlatma tasarımı" kavramını benimsetmiştir. Dünyanın önde gelen profesyonel hizmet yaklaşımını tanımlayan BUTTON LED, estetik ve yaratıcı aydınlatma ürünlerini ve projelerini dikkatlice seçmektedir ve bugün, hizmet kalitesinden ödün vermeden kendi alanında lider olmaya devam etmektedir. 13 yıllık iş tecrübemiz ve geniş ürün yelpazemiz ile her zaman hizmet etmeye hazırız; tek hedefimiz, müşterilerimize istekleri doğrultusunda en kaliteli ve üst düzey hizmeti sunabilmektir.

Mobilyalardaki en yeni aydınlatma tasarımları ile İnegöl/Bursa'da sizleri beklemektedir.

BUTTON LED is currently producing in the Turkish furniture lighting industry. 13 years of experience and success proves our improvement in the furniture lighting industry. Due to our new and modern designs, in a short period of time we were able to become the leader of the lighting industry. BUTTON LED provides services for furniture manufacturers, Architects, interior designers, construction companies and to consumers. BUTTON LED doesn't only concentrate on decorative lighting but participates in many other lighting projects and architecture lighting. Every passing day our company continues to improve with our experienced staff members, with a wide range of items, we always aim to design aesthetic and functional products.

Since 2010 to now, to assure our aesthetic appearance we have been going parallel with World technology. We have always offered a modern and accurate lighting solution which has helped Turkey embrace high quality LED lighting designs. With our 13 years of work experience and our wide range of items we are always ready to meet our customers every demand; our number one priority is to meet our customers every demand with high quality, and with an excellent level of customer service.

The newest lighting designs for furniture awaits you at İnegöl, Bursa, TURKEY.
